Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization
21 February-1 March 2017

Draft report

Rapporteur: Mr. Isaías **Medina** (Bolivarian Republic of Venezuela)

II. Maintenance of international peace and security

B. Consideration of the revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security

1. The revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security (see A/53/33, para. 98) was referred to in general terms during the general exchange of views held at the 284th and 285th meetings of the Special Committee, on 21 and 22 February 2017, and was considered at the 1st meeting of the Working Group of the Whole.

2. While support was expressed for the continued consideration of the proposal, other delegations were of the view that the proposal was among those that duplicated revitalization efforts undertaken elsewhere within the Organization and that it had been superseded by events.

3. In the Working Group of the Whole, the sponsor delegation reiterated its willingness to engage in a discussion on its revised proposal with a view to reaching a common understanding of the issues raised therein.

4. The sponsor delegation was encouraged to consider extracting those key elements of the proposal that remained valid, with a view to presenting them in a non-paper, possibly in combination with key elements of other proposals, for further consideration by the Special Committee.
